LOVE STORY

HOMES YOU'LL LOVE INSIDE OUT®

A lot of love goes into the building of an Elan home - and it shows. We lavish attention on the beautifully crafted, traditionally styled exterior so that you don't just end up with any new home, but one of outstanding style and real character.

Then, inside, we spread the love a little bit more, by creating highly contemporary living spaces that are simply a pleasure to live in. Every Elan home offers light, airy, high specification, luxury accommodation that has the flexibility to be tailored to the individual wants and needs of you and your family.

What's more, each of our intimate developments are lovingly designed to stand the test of time, so that as they mature and blossom, they become the heart of a close-knit local community.

Which, when you put everything together, all adds up to a fabulous new home that you'll love inside out.

ILFRACOMBE

SEASCAPE

Elan Homes are proud to present our stunning new development, Seascape. Conveniently located within walking distance of the charming seaside town of Ilfracombe, our unparalleled development features 51 luxurious 2, 3 and 4 bedroom homes with breathtaking views of the surrounding landscape, ocean and beyond.

THE PERFECT LOCATION

Ilfracombe, a beloved vacation destination since the Victorian era, offers something for everyone. History buffs will marvel at the town's Victorian architecture, as well as The Tunnels, which were hand-carved in the 1820's and lead onto Tunnels Beach.

Adventure seekers will delight in the numerous beaches, the picturesque harbour and the abundance of coastal walks and sporting clubs, including football, rugby, golf, cricket and tennis. Culture enthusiasts will relish the town's many carnivals, markets and art galleries. Those in search of some retail therapy can explore the charming selection of independent retailers in town, or venture to nearby Barnstaple for a mix of independent and established shops.

But it's not just the town that makes Seascape a desirable place to call home. With good schools - including nurseries, a primary school and a secondary school - all rated Good by Ofsted and within close proximity, families can rest assured their children will receive a top-quality education.

Experience the beauty and charm of Ilfracombe, combined with the luxury and convenience of a brand new development.

SAVE ANNUALLY WHEN YOU BUY NEW

- New build homes are an average of 58% cheaper to run than older properties. Owners could save up to £183 a month in energy bills.
- An average new home emits 61% less carbon than typical older homes. Saving 2.16 tonnes of carbon yearly.
- On average, new build homes use approximately 8,552 kWh a year, as compared to older properties using an average of 20,477 kWh annually. Meaning new builds use 58% less energy a year.
- 85% of new builds have an A or B EPC rating. Just 5% of older properties achieve the same energy-efficiency grade.
- Upgrading an older home to modern standards is very costly. Avoid hidden costs and pricey renovation work with an energy-efficient new build.
